Several Fine Races Take Place and a Large Crowd Present

The fine weather of Monday filled the hearts of horsemen with hope, and everyone looked forward to a fine time for the races, but when the scended the outlook was rather dismal, and early in the morning it was reported the races would be postponed.

A Bee reporter interviewed Dr. Mc
scended the outlook was rather distinct three entries: Powers, of Boston; Whitney of Toronto, Canada; and Erwin, of Craig, Mo. Powers and Erwin started before the pistol and Keene and from him learned that the programme for the day would certainly be carried out. Early in the afternoon the crowd began to assemble on the grounds, until by 3 o'clock the grounds were well filled. The officers the track, which was very heavy, in the best possible condition. Harrows were put on, and also all the buggies on the ground were put on the track, and at 3 o'clock, when the three minute race was called it was in fair condition.

The horses in the three-minute race were brought out and were given positions as follows: Grace S., first; Belle of Coldwater, second; Rock and close together until within about one were brought out and were given Rye, third; Maud Z., fourth. At the hundred and fifty yards of the wire, sixth trial the horses were sent off in when Anderson fell behind and dropquarter, half, three-quarters and mile shead, but when under the wire broke and lost the heat. The positions at the quarter were Grace S. in the lead, Maud Z. second, Belle of Coldwater third, and Rock and Rye fourth. These positions were maintained until the three quarter pole was reached, when Belle of Coldwater went to second place and went under the wire only a neck behind Grace S. These two horses had a fine brush down the home stretch with Grace S. slightly in the lead, but the latter broke under the wire and lost the heat. Time, 2:471. The other horses came in as follows: Grace S. secend, Rock and Rye third, Maud Z. fourth.

The amount received for diocesar nissions from churches within the diocese was reported as about \$2,100. Bishop Perry's annual address was one of the most interesting features of the convention proceedings yester-day, it was clear, earnest, and of spe-cial interest to the church. He presented a review of the five years past, and gathered up facts and figures, showing growth and reason for encouragement. During the period there had been fifteen churches and chapels built or bought; six rectories had been acquired, the number of had been acquired; the number of obelisk erected some time ago in Cen-working clergy doubled; the increase tral park, New York; that lately it him score up with the other two. A Baptist Minister's Experience—
I am a Baptist minister, and before I ever thought of being a clergyman, I graduated in medicine, but left a lucrative practice for my present profession, 40 years ago. I was for many years a sufferer from quincy; 'Thomas' Eclectic Oil oured me." I was also troubled with hoarseness, and Thomas' Eclectic Oil always relieved me. 'My wife and child had diphtheris, and 'Thomas' Eclectic Oil cured them," and if taken in time will oure seven times in tell. I am confident it is a cure for the most obstinate cold or cough, and if any one will take a small teaspoon and half fill it with the Oil, and then place the end of the spoon in one mostril and draw the Oil out of the spoon into the head by suffine as hard as they as they can, until the Oil falls into the throat, and practice that twice a week, I don't care how offensive their head may be, it will clean it out and cure the catarrh. For deafness and carache it has done wonders to my certain knowledge. It is the A Baptist Minister's Experience For deafness and earache it has denel wonders to my certain knowledge. It is the orly medicine dubbed patent medicine that I ever felt like recommending, and I am very anxious to see it in every place, for I tell you that I would not be without it in my house for any consideration. I am now suffering with a pain like Rheumatism in my right limb, and nothing relieves me like Thomas' Eelectric Oil.
